

The Aysanew Kassa Trust

invites you to join us on the

Buxton Walks

on Sunday 12 September 2021

Enjoy the wonders of the Peak District and countryside around Buxton and help the Aysanew Kassa Trust raise funds for children's education in Azezo, Ethiopia.

There are several options catering for all levels of stamina:

1. A **15km** walk for the more physically able (10:00 start)
2. A **8-10km** for those wanting a Sunday challenge (10:00 start)
3. A **5km** leisurely route (10:30 start)
4. A 2 hour **guided walking tour** of Buxton's sights (11:00 start)
5. A 2 hour **cycle tour** on pre-booked electric bikes (limited numbers)

Each walk/tour will have a group leader who will ensure that you all get to your destination—maybe passing a watering hole along the way!

The starting and finishing points for each one will be

3 Moorcroft, Lismore Road, Buxton SK17 9GA

where a glass of fizz/tea/coffee and cake will await you when you finish.

Our goal is to raise £10,000 to help the children of Azezo

www.aysanew.org

The Aysanew Kassa Trust was set up in 2000 to support the young people of Azezo, Ethiopia, in their education. We sponsor some of the poorest students in the region through school and university; and work with local schools and government institutions to improve the facilities they offer, helping the children of Azezo achieve their potential. We also support St Raphael's Residential School for Blind and Partially Sighted Children, run by the Daughters of Sant'Anna, improving access to education for blind children in the area.

Covid-19 has hit our students and beneficiaries hard, as schools were shut and exams postponed. The Daughters of Sant'Anna have had the additional financial burden of looking after an extra year's worth of students—those whose university start was delayed—as well as keeping the children safe from covid and helping them to study remotely.

We are raising funds to support the greater number of students we will be sponsoring next year; as well as to assist St Raphael's Residential School for Blind and Partially Sighted Children in their important work.

Thank you for your help. You can find out more about us at
